SUBJECT: ASSOCIATED SPECIALISTS, INC., VOIDANCE OF APPLICATION FOR NEW
LICENSE, CONTROL NO. 142988

Dear Dr. Mossallati:

This concerns the subject application for an NRC license. From discussions with you and your Radiation Safety Officer and after numerous attempts on your part to provide information to support your proposed Authorized User (AU) we have not received sufficient information to verify the training and experience of the proposed AU. We understood from a telephone on February 6, 2009 that you expected to receive confirmation that the proposed AU was approved by an NRC recognized certification board that day and would inform us if so within the day. Because we did not receive any additional information and you have not been able to supply the additional information required to complete the requested action for some time, we have voided your application. This action is taken without prejudice to the resubmission of your request.

Sincerely,

Original signed by Thomas K. Thompson
