DOCKET 52-029 and 52-30

3. I am a member of the Ecology Party of Florida

3. In order to ensure that the licensing decision for the proposed Levy County 1 & 2 nuclear power plants protects my interests in a safe and healthful environment, I have authorized the Ecology Party of Florida to represent me in any licensing proceeding and/or related rulemaking proceeding that concerns the safety and environmental impacts of the proposed nuclear power plant in Levy County, Florida. I have also authorized the Ecology Party of Florida to take any legal actions that are necessary to ensure that the licensing proceeding and the rulemaking proceeding are conducted fairly, efficiently, and in a manner that provides for the full consideration of all licensing issues that could affect my safety and the health of my environment.
