RE: Source Material License SUA-1548, Docket No. 40-8964
New Position Appointments to Mine Manager and Manager, Environment, Health and
Safety Department

Dear Mr. McConnell:

Power Resources, Inc. d/b/a Cameco Resources (CR) is pleased to inform you of new position appointments at the Smith Ranch-Highland Uranium Project (SR-HUP).

Mr. Tom Cannon was recently appointed as the Mine Manager at the SR-HUP operation. He has an extensive history in the uranium in situ recovery industry beginning with 14 years in Texas fulfilling roles as Laboratory, Wellfield and Radiation Safety Technician as well as Plant and Wellfield Superintendent. He has been at the SR-HUP for a total of 15 years in the positions of Superintendent, Plant and Maintenance and Manager, Plant and Restoration.

On November 1, 2008, Ms. Krista Wenzel will be elevated to the Manager of the Environment, Safety, and Health Department. Ms. Wenzel holds an MS degree in Health Physics and a BS degree in Mechanical Engineering. She recently retired from the US Air Force at the rank of Lt Colonel. Her resume is attached. Mr. John McCarthy will provide continuity in his role as the Ass't Manager of the Environment, Safety, and Health Department and Radiation Safety Officer.

If you have any questions or concerns, please feel free to contact me at (720) 879-5518.

Sincerely,

A handwritten signature in cursive script that reads "Stephen P. Collings".

Stephen P. Collings, President

Enclosure
