Mr. E. William Brach
Director, Spent Fuel Project Office
Division of Nuclear Materials Safety and Safeguards
U.S. Nuclear Regulatory Commission
Washington, DC 20555-0001

Subject: Request for Renewal of 10 CFR 71 Certificate of Compliance 9261

Dear Mr. Brach:

In accordance with the provisions of 10 CFR 71.38(b) Holtec International hereby requests renewal of 10 CFR 71 Certificate of Compliance (CoC) Number 9261 for the HI-STAR 100 transportation package. The current expiration date for CoC 9261 is March 31, 2009. We are not requesting any changes to the CoC as part of this renewal.

Because the HI-STAR SAR, Revision 12 is an updated, consolidated document, containing all information germane to the latest revision of the CoC, a consolidated application is not required for this renewal request pursuant to 10 CFR 71.38(c).

Please contact the undersigned if you require additional information.

Sincerely,

Tammy S. Morin
Acting Licensing Manager,
Holtec International
