**Attachments:** Project Summary - U-M's Kresge Complex D&D Project

Hello Jim,

On February 10, 2009 the NRC RIII office received an e-mail with the attached project summary regarding decommissioning and demolition of the Kresge Complex buildings on the University of Michigan campus

Region III MCIDB is planning an on-site inspection during the months of March/April 2009.

Please add email and its content to ADAMS as public and non-sensitive information under:
