SUBJECT: Summary of Conference Call with Applicant on February 03, 2009

On February 3, 2009, NRC staff participated in a telephone conference call with SCE&G representatives (see list below) regarding the staff's detailed review of the Summer Combined License Application (COLA). The purpose of the call was to discuss the response to the final Request for Additional Information (RAI) # 1684 related to Financial Information. Following review by Office of General Counsel, Duke Energy was provided a final copy of e-RAI # 1684 via e-mail on Dec 16, 2008.

The applicant's response to RAI 1684 was insufficient, therefore a meeting was held to clarify what exactly the technical reviewers needed in the Summer supplemental response. No additional RAIs will be issued.

The NRC attendees were:

Sujata Goetz
Aaron Szabo

SCE&G (applicant) attendees were:

Amy Monroe
