RE: NRC License Number 29-01035-01

Dear Sir/Madam,

This letter serves as a follow-up on my Feb. 5, 2009 telephone discussion with Mr. Steven Courtmanche, regarding an amendment to update the Materials License of FMC Chemical Research and Development Center in Princeton, NJ, No. 29-~~01~~01035-01. As briefly discussed, FMC would like to update the list of individuals using or supervising the use of licensed material under CONDITIONS item No. 11, page 2 of the license.

FMC would like to delete the following names from the license since they are no longer employed at this site.

1. John M. Becker
2. David Keifer
3. Li-Quan Wang
4. Evon Bolessa

If you have any questions or require any further information, please contact me.

Sincerely,

S. ElNaggar, Ph.D.
Radiation Safety Officer
