Ms. Lampert sent this email to Cmr Svinicki's Resource email address this morning. It is similar to the one that was sent to all of the parties, but I thought it should be made available to the parties, just in case.

Thanks,
Darani

Subject: Pilgrim Station Visit

To the Honorable Kristine Svinicki:

David Lewis, Counsel for Entergy, brought forward an important cautionary point regarding NRC's ex parte rule (10 CFR 2.347). Given the broad range of topics covered in the Petition for Review currently before the Commission, it is likely that your February 11th planned visit to Pilgrim Station may give the impression that "communication relevant to the merits of the proceeding" may have inadvertently occurred. Therefore, we suggest that the best way the trip can take place would be for me to be present during your visit; and for an Entergy representative to be present if you would like and are able to take a tour offsite with Pilgrim Watch.

Thank-you for your consideration,

Mary Lampert
