Commissioner Kristine L. Svinicki
U.S. Nuclear Regulatory Commission
Washington DC
VIA EMAIL

To The Honorable Kristine Svinicki:

In coordination with your visit to Pilgrim Station on February 18, 2009, I hope that your schedule will allow a meeting with Pilgrim Watch to complement your visit to the Pilgrim Nuclear Power Station in order to provide you with familiarity not just with the facility but also with the area in which it is located, from the perspective of local residents. I would be most happy to meet you at your convenience and give you a tour of the area and discuss with you areas of public concern, avoiding specific issues that are raised in the ongoing proceeding.

Thank-you,

Mary Lampert
