Nuclear Regulatory Commission

Rockville, MD  
US

Dear Nuclear Regulatory Commission,

Re: 73 FR 197 -- 10/09/2008  
Docket ID?2008?0482 and Docket ID-2008-0404

Please vote against Nuclear generated electricity!! It is not safe and there is nothing to prove it will be safe no matter how long we wait.

Meanwhile, what about our children and grandchildren?

Do something that will make them proud now and healthier later!!
