**Re: Calvert Cliffs 3 Nuclear Project, LLC, and
UniStar Nuclear Operating Services, LLC
(Calvert Cliffs Nuclear Power Plant, Unit 3),
Docket No. 52-016-COL**

Dear Administrative Judges:

In its Order of February 10, 2009, providing instructions for the February 20, 2009 Oral Argument in this matter, the Licensing Board requested that participants advise the Board and other participants if they plan to refer to any visual aid during the argument. In preparation for Oral Argument on proposed Contention 1, Applicants believe it may be helpful to have as a visual aid the organization structure diagram that is included on Page 1-39 of Revision 3 of the COL Application. A copy is attached. Revision 3 of the COL Application was discussed in the Applicants' response to the proposed contentions, and has been available in the public record since at least January 27, 2009.

Sincerely,
