Mr. William Brach, Director  
Division of Spent Fuel Storage and Transportation  
Office of Nuclear Material Safety and Safeguards (NMSS)  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555

Dear Mr. Brach:

In accordance with the Memorandum of Understanding between our agencies, I request that you review the enclosed German Certificate of Approval No. D/4347/B(U)F-96, Revision 0, for the NCS 45 transport package and make a recommendation concerning our revalidation of the package for import and export use. To assist you in your review, technical data to support this review is contained on the enclosed disc. A hard copy of the safety analysis report is being provided separately.

Since our applicant desires to use this package in upcoming shipments, we request an expedited review and request that you provide an estimate of the time needed to complete your review. If you have any questions or need any additional safety information, please feel free to contact Michael Conroy of my staff at (202) 366-3597 or via email at Michael.Conroy@dot.gov

Sincerely,

Richard W. Boyle, Chief  
Radioactive Materials Branch  
Office of Hazardous Materials  
Technology
