REGION I

Dear License Reviewer:

Please amend our byproduct material license to reflect the following changes:

1. Please amend our byproduct material license to add Adam F. Niedelman, M.D. as an authorized user for all procedures and materials listed on our current license. Dr. Niedelman is certified by the "Certification Board of Nuclear Cardiology". A copy of his board certification is attached for review.

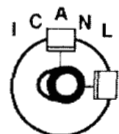

In addition, Dr. Niedelman is listed as an authorized user on the radioactive material license issued to Rhode Island Cardiology, East Providence, RI. Within Attachment A, a copy of this license is attached to confirm his authorized user status.

2. Please amend our radioactive material license to add Faisal Hasan, M.D. as an authorized user for all materials and procedures listed on our current license. Dr. Hasan is certified by the "Certification Board of Nuclear Cardiology". A copy of his board certification and confirmation of training has been enclosed with Attachment A. Please refer to this section for details.

If you have any additional questions, please contact me at (860) 886-2679 or Michael Lairmore, Nuclear Physicist at (201) 693-2277.

We thank you in advance for your assistance with this licensing action.
