Dear Mr. Barker:

Attached is the latest revision to the Cook Nuclear Power Plant (CNPP) public information booklet/calendar for 2009. The CNPP calendar was prepared and printed by American Electric Power Co. We request that you review this calendar for conformity to Title 44, Code of Federal Regulations, Part 350 and the requirements of NUREG-0654. Please provide written comments regarding your review to the Department of Homeland Security/Federal Emergency Management Agency Region V Office by March 2, 2009.
