Bridget -

Apologies for my delay in responding - I had to coordinate with several individuals here to see whether they wanted to join on the call. Thursday afternoon is generally good, and any time after 2:30p would be best. Please let me know if you have a preference regarding the time, otherwise I would suggest 3:00p.

Please feel free to call or e-mail me.

Best,
Drew

Hello Mr. Stuyvenberg,

I am sure you are very busy sorting through comments and documentation regarding this project, but I was hoping you might have time to talk with me and my supervisor Jeff Zappieri about this project before we submit any comments. We just want to be clear on a few things, mostly procedural, prior to making any comments.

If you are free for a quick conversation sometime Thursday (2/26/09) afternoon that would be great. Anytime after 12:00 would work for us.

Again, this is really just to clarify timing, procedure, and our involvement as the agency that must eventually issue a decision regarding consistency with the NYS Coastal Management Program.

Please let me know if and when you are free for a conference call. If not Thursday afternoon, please let me know when might be a good time.

Thank you,
Bridget
