DOMINION VIRGINIA POWER
NORTH ANNA UNIT 3 COMBINED LICENSE APPLICATION
REVIEWER'S AID SUPPORTING COLA REVISION

Dominion forwarded Submissions 2 (proprietary) and 3 (non-proprietary) of the North Anna Unit 3 Combined License Application (COLA) to the NRC by letter dated December 12, 2008. The submissions contained a revision to the COLA.

This letter transmits a Reviewer's Aid as an adjunct to the COLA revision. The Reviewer's Aid provides no new information and is not part of the COLA. It is intended solely as a tool to facilitate understanding of the changes made in the application.

Enclosed is a compact disc (CD) labeled "North Anna COLA Reviewer's Aid." The CD contains seven files: Reviewer's Aid User Instructions, a Change Summary Table, and an annotated copy of the North Anna COLA Submission 3, the public version of the application, divided into five parts/sections.

Please contact Regina Borsh at (804) 273-2247 (regina.borsh@dom.com) if you have questions.

Very truly yours,

Eugene S. Grecheck
