Re: Amendment Request for Consolidated NRC License 34-29200-01MD, Cardinal Health,  
Dublin, OH.

Dear Licensing:

Cardinal Health Nuclear Pharmacy Services (hereafter Cardinal Health) was supplied the incorrect address of our facility listed in Item 10.Z. The correct address should be 10250 Stone Creek, Laurel, Delaware, 19956, and not 10253 Stone Creek, Laurel, Delaware, 19956.

If you have any questions regarding this request, please contact Amy Schnees at 614.757.4592.

Sincerely,

A handwritten signature in black ink, appearing to read "Willie Regits", with a long horizontal flourish extending to the right.

Willie Regits, Ph.D.  
Director Health Physics
