RE: Permit #TN0026450  
Invoice # WMF036887

Dear Timothy Cleary:

Please be advised that our records currently indicate that you have not responded to the original invoice on the above permit for payment of your annual maintenance fee for Fiscal Year 2008-2009, which was originally due on 1/15/2009 as required under Chapter 1200-4-11, Environmental Protection Fund Fees. You are now in violation of T.C.A. 68-203-103, Section 3, which states:

- (e)(1) If any part of any fee imposed under this chapter is not paid within fifteen (15) days of the due date, a penalty of five percent (5%) of the amount due shall at once accrue and be added thereto. Thereafter, on the first day of each month during which any part of any fee or any prior accrued penalty remain unpaid, an additional penalty of five percent (5%) of the then unpaid balance shall accrue and be added thereto. In addition, the fees not paid within fifteen (15) days after the due date shall bear interest at the maximum lawful rate from the due date to the date paid.

You now owe \$6,613.87. This includes the penalty of \$312.50 and the interest \$51.37 of due on the original fee balance of \$6,250.00. If your payment is not postmarked by February 15, 2009 additional penalty and interest will accrue.

Payable to: Treasurer, State of Tennessee - WPC
