RECEIVED
REGION 1

We are hereby presenting a "Request for Transfer of Control" Per NUREG 1556 volume 15 all items 5.1 through 5.6 have been addressed below.

After more than 10 years the current owner of CTI Core Drilling Services, Inc has decided to sell the company assets. The proposed owner has overseen the management of this license from day one and as current RSO has partnered with the current co-workers to form Pole Brothers Imaging Company, LLC all aspects will remain the same. The physical address will be forthcoming as our current lease has been terminated by the landlord and we must be vacated by year's end.

5.1 DESCRIPTION OF TRANSACTION

Asset purchase of equipment, company logo, and the trade name "CDS"

The transferee will be Pole Brothers Imaging Company, LLC and will continue doing business as CDS. For information concerning business operations and details about the sale of this license the following parties will be available.

Transferor: Chris Stevenson- Owner CDS Inc. Office # 804-622-8630

Email --- Cstevenson@cti-consultants.com

Transferee: Charles Hilbert – Current RSO

E-mail – cds@cti-consultants.com

**PERSONAL INFORMATION WAS REMOVED
BY NRC. NO COPY OF THIS INFORMATION
WAS RETAINED BY THE NRC,**

5.2 CHANGES OF PERSONNEL

The license will continue under the stewardship of Charles A. Hilbert aka Tad Pole. Charles will be the President of Pole Brothers Imaging, llc with minor partners Favio Gudiel and Elmer Medina both current assistant radiographers under this license. No other personnel will be added to this license at this time.

5.3 CHANGES OF LOCATION, EQUIPMENT & PROCEDURES

Other than name and ownership, the day to day operations will continue as current. The address of warehoused equipment is under current negotiations with hopes to stay as is. No changes in operation procedures or equipment are planned at this time.

5.4 SURVEILLANCE RECORDS

All records pertaining to equipment calibrations, leak tests of sources and cameras are current and surveillance will continue under the same Radiation Safety Officer. Surveillance records pertaining to the day to day operations will continue to be stored at the same address.

Once approved by the NRC all security, training, and maintenance files will be transferred to the Residence / Office of Charles Hilbert at;
245 Nightingale Ave. Stevens City, VA 22655-2446

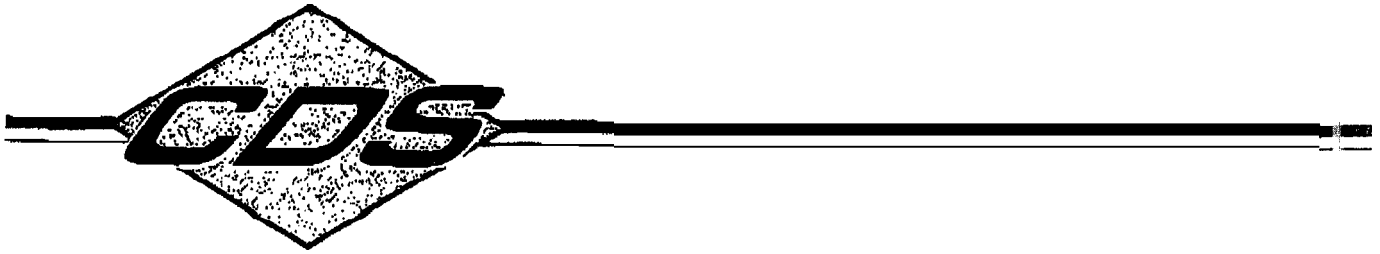

5.5 DECOMMISSIONING AND RELATED RECORDS TRANSFER

All radioactive sources used under this license are provided by Source Production & Equipment Company and are type G 60 for Iridium 192 cameras and type G 70 for Cobalt 60 these are sealed sources and records of leak tests are maintained on premises. No reports of source leakage have been reported under this license.

Due to the nature of our sources and work a decommissioning procedure is not warranted at this time.

5.6 COMMITMENTS

The Pole Brothers Imaging Company, LLC agrees to abide by all license constraints, license conditions, requirements, representations, and commitments identified in and attributed to the existing license

The signatures below represent an agreement between Chris Stevenson, and Charles Hilbert (aka Tad Role) that the transfer of all records pertaining to the maintenance of this license and radiography equipment including all radioactive sources will transfer upon approval by the NRC of this amendment and the closing of the sales transaction. All items above have been addressed as fact. Furthermore upon approval and transfer of this license Chris Stevenson will be released of all future responsibility and obligations pertaining to the maintenance of this license.
