Chandu,

We are getting ready for the environmental scoping meeting for Fermi 3. In doing so, we need to place newspaper in ads in the local newspapers. I was wondering which newspapers you used for the public outreach meeting. Bruce thought it was "The Monroe Evening News" and "The Toledo Blade." Were there any others?

Thanks,
Michelle

Michelle,

Chandu placed the adds but I think I remember him saying that he used "The Monroe Evening News" and "The Toledo Blade."

I don't think he used the Detroit Free Press because of cost.

Bruce

Hi Bruce,

I was wondering if you could give me the list of newspaper that you placed ads in for the Fermi 3 Public Outreach Meeting. We are working on placing ads for the environmental scoping meeting and therefore, your input would be greatly appreciated to make the process as efficient as possible.

Thanks,
Michelle
