☒☐☐

6. Were you given sufficient opportunity to ask questions or express your views?

☒☐☐

7. Are you satisfied overall with the NRC staff who participated in the meeting?

☐☐☒

COMMENTS OR SUGGESTIONS:

Thank you for answering these questions.

The NRC staff who did the presentation were not effective at all. In essence the slides shared no real vital information.

Next time - discuss this: How much waste he handle? How deep and our water well need to be to not become contaminated? will the plant have and impact on our vegetable garden. Are there plans for safety meeting & presentation in case of an emergency?

Continue Comments on the reverse.
