Subject: Power Lines In Northdale

Dear Mr. Halpin:

As a resident of the Northdale community in Hillsborough County, I would like to express my concern over the proposed power lines that Progress Energy is planning in our area. These lines would not serve our community and could greatly disrupt our health, safety and property values.

I would like to officially state my support for the alternative route that follows State Road 54. This route follows a commercial corridor and would not affect as many residential areas. Sometimes people are more important than corporate profits.

Sincerely,

Jean & Frank Vallely
