Subject: Proposed power lines through Northdale community

Ms. Gail Simpson
Progress Energy
Community Partnership
299 First Avenue North, PEF 163
St. Petersburg, FL 33701

Dear Ms. Simpson:

As a resident of the Northdale Community in Hillsborough County, i would like to express my concern over the proposed power lines that Progress Energy is planning in our area.

Such lines would not serve our community, rather they would adversely affect it, could greatly disrupt our health, safety and property values.

I would like to officially state my support for the alternative route that follows State Road 54.
This is a commercial corridor and would not affect as many residential areas.

Sincerely,

Jose A. Infiesta
