Name of Licensee: Materials Testing Inc.

Name of Participant(s): Sattar Lodhi & Brett orsatt (Branch Manager/RSO)

Telephone No. 302 677 0818

Subject: Name Change (Transfer of license or not)

(NOTE: This will be used as the
Documents Title in ADAMS)

The licensee requested that the named of licensed entity be changed. The licensee did not provide sufficient details regarding the reason for name change. I called the RSO, who had signed the request to determine if the change in the name was the result of transfer of licensed activities (sale of the licensee), and that such a request must be signed by a manager of the licensed entity.

The RSO stated that he was the Branch Manager and the name change did not involve sale or transfer of license. He stated the name was changed as a result of internal restructuring within the corporation. He confirmed that nothing with regard to licensed activities has changed.

He will send another letter to this effect.

Action Required: Document and process the request after the receipt of letter
