Re: Amendment Request for Consolidated NRC License 34-29200-01MD, Cardinal Health,
Dublin, OH.

Dear Licensing:

Please note that on Page 7-1 of the license application dated March 29, 2001, the composition of the Cardinal Health Radiation Safety Committee is comprised of "...senior management, the Corporate Radiation Safety Officer, the Program Director of Compliance Assessment, a Human resources representative, a Legal representative, and Operations representatives...". Cardinal Health requests that the Committee composition be amended to include, at a minimum: senior management, the Corporate Radiation Safety Officer, the individual with authority over the Nuclear Pharmacy Services Radiation Safety internal audit process (the individual's title may vary), and Operations representatives.

If you have any questions regarding this request, please contact Amy Schnees at 614.757.4592.

Sincerely,

A handwritten signature in black ink, appearing to read "Willie Regits", with a long horizontal line extending to the right.
