Please waive any applicable fees. Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities, as it may be included in an article that is currently being prepared. This request is not for commercial purposes, but is made as a member of the news media. If the fee waiver is denied, I agree to pay reasonable duplication fees for the processing of this request. Please do not delay the information request due to a denial of a fee waiver. However, please notify me prior to your incurring any expenses in excess of \$200.

If possible, please send me the information as you receive it and review it from each office. I would very much appreciate the responses being sent on a rolling basis, rather than waiting for all of it at once.

If my information request is denied in whole or part, I ask that you cite the specific exemption of the act that justifies each deletion. I will also expect you to release all non-exempt portions of any redacted documents. I reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

As I am making this request as a journalist and this information is of timely value, I would appreciate your communicating with me by telephone or e-mail, rather than by mail, if you have questions regarding this request. I would prefer to get the information in electronic form if that is possible. My second choice would be scanned onto a disk. Please send disks or paper copies, if that is the only form available, to: [REDACTED]
