**To:** IndianPointEIS Resource  
**Subject:** Indian Point relicensing

Please do not relicense Indian Point as it has been a constant threat to our safety and health here in Rockland County. I don't know how there is any question that they should *not* be allowed to operate as they continue to expose us to their poisonous leaks and potential catastrophe.

The NRC should be protecting "we, the people".

Please act responsibly.

Sincerely, Peter Grady  
Rockland County, NY
