Ms. Nace

The US Nuclear Regulatory Commission is reviewing Luminant's combined license application. As part of our review, we will be in the area March 23 - 25, 2009. We would like to schedule a meeting on March 24, 2009, with Judge Rash to discuss general emergency planning procedures, and understand the relationships between Hood County, the State of Texas, and Luminant.

thanks,

Stephen Monarque
