SUBJECT: AUTHORIZATION GRANTED TO EXPORT CATEGORY 1 QUANTITIES OF
COBALT-60 TO CANADA

Dear Mr. Hedger:

On Thursday, March 12, 2009, we received government-to-government consent from the Canadian regulator granting you authority to export the Category 1 quantity of cobalt-60 to MDS Nordion in Ottawa, Canada listed on your NRC license PCB6.07.

When the NRC issued the renewal license PCB6.07, it was issued with the condition that Alpha Omega Services, Inc. was prohibited from shipping 10 CFR §110 Appendix P Category 1 quantities of cobalt-60 to Canada until: (1) Alpha Omega Services, Inc. requested the NRC to obtain specific consent from the importing country's regulatory authority, on a case-by-case basis; (2) NRC has considered government-to-government consent pursuant to 10 CFR §110.42(e)(3); and, (3) NRC informs Alpha Omega Services, Inc., in writing, that it is authorized to ship the materials to the recipient(s) specified.

Based on our receipt of government consent, you are now authorized to ship Category 1 quantities of cobalt-60 to MDS Nordion. This consent expires on 30 June, 2009.

Please feel free to contact me at telephone (301) 415-2342 or send an E-mail to stephen.dembek@nrc.gov should you have any questions or would like more information.

Sincerely,

/RA/
