Chris - We are completing one right now. I believe all that remains to complete is our cover letter. It should be out in the next several weeks.

Please call me if you have any additional questions.

Best regards,
Drew

Drew - Could you please tell if/when the NRC Staff is going to submit the Essential Fish Habitat (EFH) Assessment? It is our understanding the NRC is required to do this assessment under the Magnuson-Stevens Fishery Conservation & Management Act. Thank you.
