Gentlemen:

Enclosed herewith are two copies of completed form AEC-313 requesting a by-product material license for the purchase and use of up to 1000 millicuries of krypton-85 gas. Items 11 through 19 have been completed on a previous request for a license issued as No. 42-143-1.

Attached to the request forms are copies of our company memorandum describing the scope of the proposed use of this material and the method and safety considerations involved. We would be pleased to have your comments and any references you can supply on experience with handling and transferring krypton-85 in 500-1000 millicurie quantities.

Very truly yours,

OK. MJK
