Chris:

As for as I know it is pretty much the attendees are those that are listed in the notice, plus Carl Constantino, the NRC consultant. I will request Nilesh to chime in, if my understanding is not correct. I mean, are you asking me this info from the point of needing escort at the EPRI main entrance. If that is the case, we will give you an exact count.

Ram,

Can you give me the list of names of the people that are attending this meeting from the NRC side? EPRI would like the information.

Do you have a final number on who is coming to the meeting on Thursday and Friday? Also, if at all possible can you send me a list of who is attending?

Hi Evelyn,

My question was for one individual calling in. If we need a conference call-in number the NRC will provide the number. Let me know if you want me to call you directly. If so, it will need to be in a couple of hours. I'm tied up with a conference call for the next hour and a half.

Thanks,

Chris

Is this for people calling in? Do you need a conference call-in number? Exactly what is the purpose of the phone number? My direct line is below.

Evelyn,

Do you have a phone number that can be used for the meeting we have scheduled for September 25<sup>th</sup>/26<sup>th</sup>?

Thanks,

**Subject:** ISG Section 3 - Carl's Report & EPRI Directions

Hello Everyone,

First, I want to confirm we are having a meeting on September 25<sup>th</sup> & 26<sup>th</sup> at the EPRI offices (directions attached). Farhang is working on the agenda as we speak and is trying to get it out to me by the end of the day. For your planning purposes, you should plan to be at the EPRI offices by 8:30 AM on the 25<sup>th</sup>. I expect the meeting to go to about 4 or 4:30 PM each day. It's possible that the meeting will be shortened on the 26<sup>th</sup> based on progress, but I would plan for a full day. The NRC is planning to send 7 or 8 people to the meeting

including Nilesh which means there will be about 13 or 14 people at the meeting. However, please keep in 'mind' that this will be a public meeting which means other folks could show up.

I've attached a draft copy of Carl Constantino's draft report for you review prior to the meeting. Farhang, do you want to have a conference call just prior to the meeting to discuss the report? Let me know and either Kimberly or I will set it up. We plan to discuss the report and the information Farhang has put together at the September 25<sup>th</sup> meeting. Please let me know if you have any questions. When the official NRC meeting notice goes out, I'll pass it along to you.

Thanks,

Chris Earls
