

**UNITED STATES OF AMERICA
NUCLEAR REGULATORY COMMISSION**

BEFORE THE ATOMIC SAFETY AND LICENSING BOARD

In the Matter of

Docket No. 52-016

Calvert Cliffs-3 Nuclear Power Plant
Combined Construction and License Application

**RESUBMISSION BY JOINT PETITIONERS OF PETITION TO INTERVENE IN
DOCKET NO. 52-016, CALVERT CLIFFS-3 NUCLEAR POWER PLANT
COMBINED CONSTRUCTION AND LICENSE APPLICATION**

Per order of the Atomic Safety and Licensing Board, joint petitioners resubmit their original petition to intervene with all relevant signatures included. All joint petitioners representatives have obtained digital certificates and have signed accordingly. The only changes to the original petition are the additional signatures and the petition has been modified to reflect today's date.

We apologize that this resubmission comes one day after the ASLB's order. The subject line of this order included only the names of William Johnston and Cathy Garger, neither of whom are associated with joint petitioners, and we mistakenly believed that the order applied only to those two.

Respectfully submitted,

_____ Signed Electronically by _____
