Subject: Explanation for amendment to Import License No. IBP22-1

Dear Mr. Dumbek,

Mr. Stephen Baker questioned the reason that only NRG Petten of the Netherlands was on our Import License IBP22-1 and we also received material from SCK Reactor in Belgium, not listed in our license.

Industrial Nuclear Company, Inc contracts to NRG Petten of the Netherlands for all of our Material orders. When NRG down for maintenance or other problems that they cannot supply, they in turn have SCK Reactor fill their orders. Industrial Nuclear Company, Inc issues all Purchase Orders and payment to NRG Petten of the Netherlands for all of our material supplies. Industrial Nuclear considers NRG Petten as being our radioactive material supplier.

If you need additional information or have any questions, please contact us at 510-352-6767 or e-mail jerrytucker1@aol.com or fenshya@aol.com

Thank You.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jerry A. Tucker'.
