

CERTIFIED TESTING LABORATORIES, INC.

March 13, 2009

U.S. Nuclear Regulatory Commission
Attention: Document Control Desk
Washington, D.C. 20555

Docket No. 03012145
License No. 29-14150-01

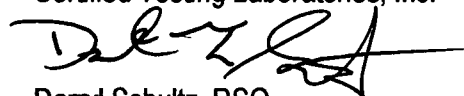

Reply to a Notice of Violation

1. Violation of 10 CFR 20.1101(c)
 - A. Violation of 10 CFR 10.1101(c) was inadvertently overlooked.
 - B. Audit has been scheduled to be done on March 18, 2009.
 - C. In the future the RSO and Assistant RSO will beep better track of audit time table.

2. Violation of Condition 12 of NRC License Items 6B and 6G.
 - A. Violation occurred due to an error in amendment dated March 28, 2003 naming Tony LaMastro of Health Physics Associates as nuclear gauge instructor for Certified Testing Laboratories, Inc..
 - B. We sent those employees which Certified Testing Laboratories, Inc. trained to Health Physics Associates on February 24, 2009 for nuclear gauge training.
 - C. Certified Testing Laboratories, Inc. is now in the process of amending our NRC License to that we can train our employees for gauge use.

As of March 18, 2009 Certified Testing Laboratories, Inc. will be back in compliance.

Respectfully submitted,
Certified Testing Laboratories, Inc.
