Subject: Proposed Agreement **with the** Commonwealth of Virginia

Dear Sirs,

This is in response to **your** letter of November 25, 2008, concerning the transfer of regulatory authority to the Commonwealth of Virginia on or about March 31, 2009. We understand Hauni Richmond, Inc. **will** automatically be granted a Material License **from the** Commonwealth of Virginia covering the activities for which the NRC currently authorizes.

**We wish** to inform the **NRC** that due to our limited work in only Virginia and North Carolina; **Hauni** Richmond Inc. requires only a Commonwealth of Virginia license and will not require a NRC license, Therefore **we** request an amendment of **our** existing **NRC** license to delete authorization for temporary jobsites in non-agreement **states**.

In case of questions you **may** contact me via phone at 804 236-5225 or via email at **darrell.basinger@hauni.com**.

With kind regards,
