William A. Passetti, Chief
Bureau of Radiation Control
Florida Department of Health
4052 Bald Cypress Way, SE, Bin C21
Tallahassee, FL 32399-1741

Dear Mr. Passetti:

As part of "Addendum to Section 274i Agreement between the U.S Nuclear Regulatory Commission (NRC) and the State of Florida," the State of Florida was provided one laptop (NRC number 084210), installed with word processing utilities and the encryption software.

In preparation for new security inspections under the new 274i agreement, NRC is requesting the return of the laptop to ensure operability and to update the software as necessary.

A Federal Express US Airbill is enclosed for the return of the laptop. As the laptop contains Safeguards Information, please follow the enclosed instructions for Modified Handling Requirements for the Protection of Certain Safeguards Information. So that we may update the security plan, please provide a list of authorized users, the name of the individual that will act as the Alternate Information Systems Security Officer, the storage location of the laptop, and a description of the physical and environmental protection controls for the storage location. After the 274i agreement is signed and the security plan is updated, the laptop will be returned to the State of Florida.

If you have any questions, please contact Gary Purdy, of my staff, at 301-415-7897 or by e-mail at gary.purdy@nrc.gov

Sincerely,

/RA/
