RE: License Number: 29-30795-01
Docket Number: 030-36187
Request to Correct "Location of Use" Address
Heart & Vascular Associates of Northern Jersey, P.A.

Dear Ms. Gaskin:

We are in the process of opening our new imaging center located at 1500 Alps Road, Wayne New Jersey. While reviewing Amendment #4 to the byproduct material license, we observed ~~that "Item 10" of the amended license references the new "Location of Use" as 1500 Alpine Road, Wayne, New Jersey.~~

S/B #2 ISSUED 3/5/2009

Please correct the amended license to identify the address listed below as the correct "Location of Use":

Heart & Vascular Associates Northern Jersey, P.A.
1500 Alps Road
Wayne Jersey 07470

I have attached a copy of the original amendment letter for your review. Please refer to Attachment A for details.

143475

Due to time constraints, we request the corrected license be faxed as soon as possible to my attention, Terri Urgo, office manager at (201) 475-8145. Any efforts you may provide in expediting this request is greatly appreciated.

Sincerely,

A handwritten signature in cursive script that reads "Terri Urgo".

Terri Urgo, Manager

RE: License Number: 29-30795-01
Amendment Application
Heart & Vascular Associates of Northern Jersey

Dear License Reviewer:

Please amend our byproduct material license to add a new "location of use". The address of the new imaging center is located below:

Heart & Vascular Associates
1500 Alps Road
Wayne Jersey **07470**
(201) 475-1776

A diagram of the nuclear cardiology department and list of equipment are provided within Attachment A. Please refer to this section for details.

Please allow this correspondence to confirm that this imaging center has not been used by a previous licensee.

All remaining items referenced on our current license and application will remain unchanged.

If you require additional information, please contact Michael W. **Lairmore** or myself, Mr **Lairmore** may be reached at (201) 693-2277.

We thank you in advance for your assistance with this pending licensing action.

Sincerely,

 **Ijaz R. Vehra, M.D.**
President/Radiation Safety Officer
