Good afternoon Bas,

Your draft application appears to be complete. To process your application, NRC will seek assistance from the Executive Branch to obtain assurances from the government of the group of countries (EURATOM) where the ultimate consignees are located. The NRC processing fee is \$3,800.00. You indicated that a first shipment date is scheduled for May 1, 2009, although we will do our best to accommodate your schedule, we cannot guarantee that you license will be issued by that time.
