**UPDATED NUCLEAR REGULATORY COMMISSION (NRC) DISTRIBUTION LISTS
FOR DOCUMENTS CONTAINING OFFICIAL USE ONLY (OUO) AND
SAFEGUARDS INFORMATION (SGI)**

The purpose of this letter is to provide updated distribution lists for documents containing OUO and SGI. This information was requested in NRC letters to TVA's Mr. William R. Campbell dated April 3, 2008 (ML080940054, ML080940221, and ML080940295). Updated distribution lists for documents made available publicly, as requested in the referenced NRC letters, were provided to the NRC in a March 17, 2009, letter titled "Changes to Distribution Lists for TVA Dockets."

Enclosures 1, 2, and 3 contain the updated Browns Ferry, Sequoyah, and Watts Bar Nuclear Plants' distribution lists, respectively, of those persons who should receive documents containing OUO and SGI information.

Enclosure 4 contains the Bellefonte Nuclear Plant distribution list of those persons who should receive documents containing OUO and SGI information. This list has been included consequent to the recent reinstatement of the Bellefonte Construction Permits.

If you have any questions concerning these updated distribution lists, please contact me at (423) 751-8817 or Josh Perrel at (423) 751-7737.

Sincerely,

A handwritten signature in black ink, appearing to read "Frederick C. Mashburn". The signature is fluid and cursive, with a long horizontal stroke at the end.

Frederick C. Mashburn
Acting Manager, Corporate Licensing
and Industry Affairs
