Subject: Endorsement of NEI 03-12, *Template for the Security Plan, Training and Qualification Plan, Safeguards Contingency Plan*, Revision 6, dated February 20, 2009

Project Number: 689

Dear Mr. Morris:

Enclosed, please find NEI 03-12, *Template for the Security Plan, Training and Qualification Plan, Safeguards Contingency Plan*, Revision 6, dated February 20, 2009, for review and endorsement.

Revision to NEI 03-12 were made with the combined efforts of the NRC, NEI, and key industry personnel utilizing new rule language and draft guidance language that has already been reviewed by NRC staff. The revision methodology ensured consistency and rule compliance in order to facilitate NRC endorsement.

Changes were made with the objective of maintaining the current level of detail throughout the document. Tracking was utilized to clearly identify changes that allow for easy comparison of the new revision to the last. Utilization of brackets to note areas where site specific text should be

inserted was retained. The responsibility matrix has been eliminated from the Security Contingency Plan (Appendix C) and will be moved to facility procedures.

The goal is to have NEI 03-12, Revision 6 endorsed by April 1, 2009 in order to facilitate new plant COL requirements. If you have questions or require additional information, please contact me at (202) 739-8138; jwr@nei.org.

Sincerely,

Jack W. Roe
