**Subject:** Receipt of BRR Application and Query

Charles,

We received your application on 3/30/2009. You identified a 10/1/2009 need date for the BRR in your cover letter. In order for the NRC to properly prioritize your case, please identify when you expect to actually use the BRR for a shipment in order to support spent fuel shipments from MURR and MIT.

Regards,

Chris Staab  
NRC Project Manager
