**Re: *Albert Einstein Healthcare Network (PADEP License Number 37-00448-19);  
Financial Assurance***

Dear Mr. McKee:

I have received the original Letter of Credit issued by Wachovia Bank, N.A., dated February 19, 2009, which was submitted by you on behalf of Albert Einstein Healthcare Network (Pennsylvania Department of Environmental Protection Radiation Materials License Number 37-00448-19). I have reviewed the financial assurance documents submitted; the Letter of Credit is acceptable and the financial assurance for Albert Einstein Healthcare Network is approved at this time. By copy of this letter, I am notifying the Nuclear Regulatory Commission (NRC) that the financial assurance instruments Albert Einstein Healthcare Network currently has on file with the NRC should be cancelled and returned to the licensee as soon as possible.

Thank you for your attention to this matter.

Sincerely yours,

Andrew T. Bockis  
Assistant Counsel
