Dear Mr. Goldstein:

During our discussion of the RAIs dated February 3, 2009, you referred to your July 14, 2008 letter to the USACE as potentially fulfilling part of your response to the RAIs. NRC received a copy of Unistar's cover letter to the USACE, dated July 14, 2008.

However, NRC did not receive copies of the enclosures sent with the letter. Please provide the enclosures to NRC. Also, please send copies of the letter and enclosures to Pacific Northwest National Laboratory.

Sincerely,
