MHI,

The attachment contains the subject request for additional information (RAI). This RAI was sent to you in draft form. Your licensing review schedule assumes technically correct and complete responses within 30 days of receipt of RAIs. However, MHI needs and we grant 75 days to answer the RAI questions. We will adjust the schedule accordingly.

We will establish a clarification meeting with MHI on question 15.4.1-5.

Please submit your RAI response to the NRC Document Control Desk.

Thanks

Jeff Ciocco
