Thanks, Tom. I replied to an e-mail from Dmitri late yesterday indicating that I will be unavailable on Wednesday/Thursday (Bell Bend meetings), but that we could possibly meet on Tuesday. I need to discuss with Scott today and then phone Dmitri. Looking at the issues listed in Meena's e-mail, I think it would be beneficial if I could participate in some fashion in the Jan 29 drop-in - perhaps via phone if that can be arranged. I'll try to touch base with you, Laura, and Meena this morning to discuss.

To All:

My last communication with Unistar (Gerry Van Noordennen on 1/22/2009) was that Dmitri Lutchenkov would contact Bob Schaaf to set up a time for a drop-in with Scott Flanders. Unistar also wants to meet Bob during the drop-in, due to his recent assignment as RAP3 Branch Chief.

David and Tom,

I just received a follow-up call from Mike Yox (Director-Licensing Unistar Nuclear Energy-Regulatory Affairs) regarding Thursday's (Jan. 29) drop-in with Greg Gibson, which is now scheduled from 1-2 pm. Greg is describing this drop in as a "confidential discussion." The discussion topics for the drop-in have been revised and now include the following:

1. Issues with the NMP COLA schedule

2. Intentions to break ground at Calvert Cliffs in early 2010
3. Confirmation of adverse COLA review schedule impacts if UniStar were to request an LWA for Calvert Cliffs
4. Strategy to allow sufficient duration for hearings (meaning that they would like to request that the staff proceed with the hearing process of Calvert Cliffs instead of waiting for the final rulemaking of the EPR DC- they are okay with placing the Calvert Cliffs approved COL on the shelf while waiting for the EPR DC rulemaking to be finalized).

I've asked that John Rycyna and Prosanta Chowdhury join us for the drop in as well, due to the nature of the discussion topics and we plan to meet with you prior to the meeting to brief you on some significant scheduling issues of the Calvert Cliffs COLA, etc.

Also, as I stated previously, Greg Gibson will also be coming in for a drop-in with Scott Flanders to discuss the Calvert Cliffs FEIS schedule on Wednesday, Jan. 28th.

thanks
