Michael Greeno  
Nuclear Regulatory Affairs Manager  
Honeywell Metropolis Works

Michael,

I am responding to the letter dated March 23, 2009 (ML090920087), signed by Mitch Tillman, Plant Manager of Honeywell, in which Honeywell requested the extension of exemption from decommissioning financial assurance contained in License Condition 27.

As part of the screening process, the NRC staff has completed the review of the information Honeywell provided on March 23, 2009 and find the information acceptable for detailed review. During this review, we will notify you if any additional information, or clarification of existing information, is needed. The staff efforts associated with this review will be charged to Technical Assignment Control (TAC) No. L32718. Please reference this TAC number in all correspondence related to this action.

Based on our preliminary review and projection of current review schedules, we anticipate completing our review for your request dated March 23, 2009 by September 3, 2009. This date could change depending on the findings of our technical review, urgent assignments, or other factors. We will promptly communicate any significant changes to this schedule.

If you have any questions, please contact me at (301) 492-3108 or via e-mail at [Michael.Raddatz@nrc.gov](mailto:Michael.Raddatz@nrc.gov).
