

**UNITED STATES OF AMERICA
NUCLEAR REGULATORY COMMISSION

BEFORE THE COMMISSION**

In the Matter of

Docket No. 52-016

Calvert Cliffs-3 Nuclear Power Plant
Combined Construction and License Application

**UNOPPOSED REQUEST FROM JOINT INTERVENORS FOR EXTENSION OF
TIME TO FILE RESPONSIVE BRIEF TO APPLICANTS' NOTICE OF APPEAL**

On April 3, 2009, Applicants (Calvert Cliffs 3 Nuclear Project, LLC and UniStar Nuclear Operating Services, LLC) filed a 27-page appeal of a March 24, 2009 order by the Atomic Safety and Licensing Board granting standing to the Joint Intervenors in this matter, and admitting three contentions for litigation before the ASLB.

Joint Intervenors normally have ten days to file a responsive brief to this appeal, which would be Monday, April 13, 2009. However, that is Easter Monday, and the ten day period falls over the Easter Holiday, a time when Joint Intervenors have family and other commitments.

Applicants raise numerous issues which Joint Intervenors must address in our response and we believe we need a full 10 day period to prepare this response. But it will not be possible for us to commit that time over the Holiday period.

We respectfully request that the Commission grant a four-day extension of time—until close of business on Friday, April 17, 2009—for Joint Intervenors to file a responsive brief.

Joint intervenors today contacted counsel for Applicants and NRC staff, and both have indicated they do not oppose this request.

Respectfully submitted,

This 7th day of April 2009
