- ☐ **Objectives**
- ☐ **Luminant/MHI Perspective on the Review for Risk-Informed Technical Specifications in US-APWR DCD and CPNPP COLA - Etsuro Saji**
- ☐ **PRA Development and Review Plan for Risk-Informed Technical Specification - Futoshi Tanaka**
- ☐ **NRC Presentation**
- ☐ **Discussion of options and path forward**

Luminant

Meeting Objective

Identify a path forward to issue COL for CPNPP with RITS which allows the review to continue on schedule, assures safety and establishes the needed support PRA before fuel load.
