Attention: Mr. Lyall Johnson
Chief, Licensing Branch

Gentlemen:

We hereby request that our Source Material License #C-3700 be amended to specifically allow for the importing, receipt and possession of source material produced in countries other than the United States.

We anticipate that the broad range of our research programs will result in the desire to utilize materials from sources external to the boundaries of this country. If further justification for this request is required please let us know.

Cordially yours,

SYLVANIA-CORNING NUCLEAR CORPORATION
